2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

IQAC discusses various issues concerning teaching and learning in its meetings and takes necessary steps to improve teaching learning processes. The college has created sufficient IT based infrastructure for knowledge deliverance. All the teachers are required to prepare lesson plans before the beginning of the classes and use modern teaching aids in their classes. IQAC requires the teachers to use Power Point Presentations, hold seminars and give assignments to the students. Tutorial groups of the students are formed to address their issues. The tutorial heads try to solve the problems of students on priority basis. The performance of the students is evaluated on the basis of class test reports and semester test reports. Based on the feedback, special coaching classes are arranged for the meritorious students. Weak students' classes are organised to improve the performance of low scoring students.

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

The IQAC is playing a pro-active role in enhancing awareness about student support services. The information about these services is provided in the prospectus of the college and uploaded on the website of the college. In addition, the students are informed about students support services through circulation of notices by the Principal office. The information is also displayed on the notice boards specifying the nature of service, quantum of benefit and the eligibility conditions for availing these services. As per the decision of IQAC, the tutorial incharge of different classes have been asked to motivate the students to avail book bank facility, scholarship facility, bus transport facility, weak student classes, spoken English classes, internet facility and guidance of career counselling cell etc. to complete their courses without any difficulty. Besides this, the Department Heads and Tutorial Incharges are asked to forward the names of deserving students to whom these facilities could be given on priority basis.

5.2 Efforts made by the institution for tracking the progression

To track the progression of the students, different result oriented ways are adopted by the institution. Academic performance of the students is evaluated on the basis of house tests and snap tests which are conducted on regular basis. Seminars and Assignments are given to the students by the subject teachers. Feedback is taken from the teachers, Parents Teachers Association (PTA) and Students Council for this purpose. To address and solve the problems of the students on individual basis, tutorial groups are formed with teacher incharge of each group. The teacher incharge of tutorial groups take the valuable feedback from the students and try to address their issues on priority basis.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The vision of the institution is to equip and strengthen the youth with humanistic qualities and makes them professionally competent by imparting quality education and ensuring all-round development of the students. The mission of the institution, since its inception, is to serve the society by exploring the inner potentials of the students by channelizing their energy through various academic and extra-curricular activities at very low cost.

6.2 Does the Institution has a management Information System

Yes, the institution follows a system of communicating with different stakeholders and receiving inputs from internal as well as external agencies. The instructions and routine orders are passed on to the students and staff through notices and verbal communications. The official compliance with university and DPI (Colleges Punjab) is mostly done in online compliance mode. University notices and circulars are received through emails which are communicated to the students and staff by display and circulation of notices. The performance report of the staff and students is deliberated with the management in their formal meetings and decisions taken therein are implemented by the college principal. College activities and achievements of students are uploaded on Facebook page of the college at <https://www.facebook.com/groups/gncphagwara/> on regular basis. Important information is also shared with the staff through WhatsApp group specially created for this purpose.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The college strictly follows the curriculum design of Guru Nanak Dev University Amritsar for the various courses run by the college. However, the suggestions are given by the Principal in Academic Council and by the teaching staff in university board of studies and university faculty bodies from time to time in order to incorporate and bring necessary need based changes in designing of curriculum.

6.3.2 Teaching and Learning

The college teachers are motivated to participate in faculty development programmes, refresher and orientation programmes organised by the university and outside agencies. The students are taught with new teaching aids. The college has created high-tech IT based infrastructure by establishing 18 smart classrooms for teaching to the students. Teachers prepare PPTs presentations for knowledge deliverance to the students. Students are given assignments to ensure their class participation. In order to redress the problems of the students at micro level, tutorial groups are formed under the charge of tutorial head. This helps in solving the difficulties and genuine problems of the students without any delay.

6.3.3 Examination and Evaluation

In order to access and evaluate the performance of the students, class tests and snap tests are conducted on regular basis. Assignments and Seminars are integral part of their course work.

6.3.4 Research and Development

The teachers of the college are motivated to write research based articles and get them published in peer reviewed journals. They are sent on National Seminars, Workshops and Conferences as paper presenters. Three members from teaching staff were granted duty leave to attend UGC sponsored refresher courses to update their subject knowledge. To support research activities of the teachers, a huge collection of advanced text and reference books are available for use in central library of the college. All the teachers are free to use internet facility available in college computer labs for academic purposes during their vacant periods.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The college has spent Rs. 5,00,000 during the session 2016-17 to buy latest books on different subjects including general and competitive exam based books. A huge amount of Rs. 40,00,000 has been spent to strengthen the sports facilities by constructing a multi-facility new stadium. An amount of more than Rs. 8,00,000 has been spent to buy new computers, photocopy machines and printers. In order to provide pure drinking water to the students, Water Purifiers and Dispensers have been installed in the college campus.

6.3.6 Human Resource Management

As human resources are the most valuable for any educational institution, it has been the policy of the college authorities to appoint qualified staff which fulfils the norms set by UGC, DPI (Colleges) and GNDU Amritsar. The job requirement for different teaching and non-teaching posts is planned well in advance before the beginning of the academic session. The vacant posts are advertised in both National level and Regional level newspapers specifying the number and the requirements for each post. Applications are demanded from the aspirants and interview letters are sent by post and applicants are also telephonically informed. Interviews are conducted by a panel of experts. Selection of candidates is based on merit. The distribution of work is done on the basis of specialisation and experience of the selected candidates. The performance of the employees is evaluated at three levels, firstly by head of each department and secondly by the college principal on the basis of feedback from the departmental heads and students. At third level, performance of employees is evaluated by the management committee in their meeting with the principal. The employees who performed well are given preference at the time of re-employment. They are also awarded with cash increments.

6.3.7 Faculty and Staff recruitment

In order to strengthen the human resources of the college, four new regular teachers, one each in the subject of English, Commerce, Economics and Political Science, have been appointed as per UGC and DPI (Colleges) norms. One qualified person is added in college office. Two new football coaches have been hired to train the college students in different sports. One new employee has been recruited in office.

6.3.8 Industry Interaction / Collaboration

The representatives of local and nearby industries are invited in the college campus to interact with the students. They share their practical experience and present scenario & future trends in the job market with the students. The students are also taken on Industrial visits on regular basis. In the academic session 2016-17, fifteen students of the college have been selected by Brain Box Corporate Solution Pvt. Ltd. They are going to join the company after the completion of their final semester examination.

6.3.9 Admission of Students

The whole process of admission is completed in a systematic order. In the beginning of the academic session, admission committees are formed who guide the students in the completion of necessary admission formalities. After seeking guidance from the concerned admission committee, students buy prospectus from the college office on payment of nominal fee. Then they go to admission committee who guide them to fill the admission forms. Admission committee recommend the student for admission after checking their documentary evidences. Then the students go to Principal office for one to one interaction and for getting their admission form signed. Thereafter, the students go to fees counter for the deposit of admission fee. Computerised receipts are issued to the students in which the details of fees taken and roll number allotted to the students are printed.

4. Results of different courses are notified by uploading the same on university website.

6.10 What efforts are made by the University to promote autonomy in the affiliated/ constituent Colleges?

No information is received from the university in this respect.

6.11 Activities and support from the Alumni Association

Alumni Association of the college takes active part in the activities of the college. They are invited on the functions of the college. Their valuable suggestions are taken by the college authorities and are implemented on priority basis. General body meeting of the members of the Alumni association is convened every year. It is one of such exclusive event in which majority of the members assemble in the college campus. PPT presentation on the college activities and achievements of the students are shown to them in this meeting. The members of the association give their constructive suggestions for the betterment of the college. The members of Alumni Association are also connected with the college through Facebook page of the college where they freely express their views on various activities and achievements of students uploaded therein from time to time.

6.12 Activities and support from the Parent – Teacher Association

The parents of the students meet the concerned subject teachers and tutorial heads from time to time. Two Parents Teachers Meetings (PTMs) have been convened during the session 2016-17 to discuss the progress of the students with their parents.

6.13 Development programmes for support staff

Four members of supporting staff are provided free accommodation in the college campus including free electricity and water facility. All the members of the supporting staff are given free uniform every year on the occasion of Diwali.

6.14 Initiatives taken by the institution to make the campus eco-friendly

To keep the campus eco-friendly, tree plantation is done on regular basis. Three gardeners are employed to maintain and look after the lawns and college ground. Students are advised to keep the campus neat and clean and not to use plastic bags. Besides this, the college is situated in the outskirts of the city which keeps the Institution away from sound and air pollution. Seminars are also organised regularly to sensitise the students on these significant issues.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The focus of the institution has always been on the innovative efforts giving a fillip to the aim of achieving highest academic standards. The emphasis (key-focus), this year, has been on:

1. Enhancing communication and soft skills of the students.
2. Special focus on guidance and counselling to the students.
3. Strengthening of bonds with Punjabi folk art, culture and heritage.
4. Fostering the spirit of healthy competition among the students.
5. Facilitating a conducive E-environment to the students.
6. To create awareness about environmental and social issues.
7. Expansion & Strengthening of existing Sports-facilities.
8. Special emphasis on personality development.
9. Preparing the students for competitive examination.
10. Liberal fee concessions and scholarships to the needy and deserving students.
11. Providing adequate and required career counselling to the students in tune with the fast changing global scenario.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the Beginning of the year

1. Regular Spoken-English classes by experienced faculty for the students belonging to all streams are held. A special qualified teacher was hired by the institution for this purpose.
2. Eminent experts from different fields are invited to provide special guidance and counselling to the students.
3. Visits to the places of historical importance were arranged. (Students are encouraged to participate in Virasati-Mela).
4. Inter-college as well as Intra-college competitions are arranged by various departments.
This year MEHAK remained a successful venture of the college in which 20 teams from different colleges participated in variety of cultural events.
5. **Eighteen** classrooms are fully equipped with smart boards and projectors facilitating the students with latest trends and techniques in contemporary scenario.
6. The college got affiliated with PAHAL-Ek Paryas, N.G.O in its efforts towards making the students aware about the Swachh-Bharat Abhiyan initiated by our P. M. Sh. Narendra Modi.
7. An anti- drug addiction play was also performed by the Punjab Police Department, Phagwara.
8. Construction of spacious sports stadium with modernised facilities by spending a huge amount of Rs. 40 Lacs.
9. Workshops were organised from time to time on personality development.
10. Questionnaires given to students by different departments for the enhancement of their analytical acumen.
11. Scholarship & Fee-Concession schemes.

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals)

Best Practices:

I

1. **Title of the Practice: Strengthening of Teaching and Learning Resources**

2. **Goal:** The institution earnestly desires to impart education to the students making extensive use of new teaching aids and latest study material. Besides this, interaction of students with eminent resource persons from universities, Govt. regulatory bodies, industry and art & culture discipline is one of the most useful aspect of higher education and used extensively.

3. **Context:** Present day education is market oriented. Students require ICT enabled facilities to excel in academics and to compete at the global level. Teachers need new technology and facilities for knowledge deliverance. To achieve the goal, the college has further strengthened its infrastructure by purchase of new high-end computers and purchase of new text and reference books. Four new teachers were recruited during the session on regular basis.

4. **The Practice:** A record number of seminars and workshops were organised during the session 2016-17 for the promotion of wider exposure to the students. The college organised 17 academic exercises including three national and four state level programmes. Library resources were strengthened significantly, particularly the reference and text books. Sixteen new high-end computers worth more than 5 lakh rupees were purchased during the session 2016-17. A new photocopy machine was installed in the library for the use of the students. Further, three new printers were made available one each in accounting lab, computer lab and general office of the collage.

5. **Evidence of Success:** The teachers made extensive use of 18 ICT enabled class rooms and all our efforts bore wonderful results as our students were university toppers in two classes and eight more students were in the top merit positions (Details given in Annexure no. X). We have not only improved the quality of results but also the quantity as our pass percentage has been nearly 100% in almost all the classes.

6. **Problems encountered and Resources Required:** Funds are required to create sufficient need based infrastructure facilities for the students. With the efforts of the Managing Committee, funds were arranged through MPLADG (MP Local Area Development Grant) by availing a grant of Rs. 5 lakh. Shortfall was met from internal sources. Library resources were strengthened substantially out of college own resources.

II

1. **Title of the Practice: Strengthening of Sports Facilities**
2. **Goal:** To channelize the energy of youth for constructive purposes and to keep them away from social evils. The ultimate goal of the college is to create a force of disciplined, talented and skilled manpower by ensuring all-round development of the students leading to healthy and useful citizens.
3. **Context:** For ensuring participation of large number of students in different sports and games, the college has created number of sports facilities for the students. A multi-facility stadium, spacious ground and sports equipment are made available to prepare the students for different sports and games. Similar provision is available for indoor games and activities. Two qualified coaches are hired by the college to train the students for university and state level tournaments.
4. **The Practice:** The College, during the session 2016-17, completed the multi-purpose stadium by spending more than 40 lakh rupees. The college has already established its Football Academy which is registered with Punjab Football Association, an organ of All India Football Association.
5. **Evidence of Success:** The college Football team created a history by participating in 'A-Division' Punjab Super League Football Competition. Eighty nine students of the college participated in different sports and games at university and state level and brought laurels for the college (Details given in Annexure no. XI). The College is expanding its base in sports by providing opportunities to the students in greater number of games and sports. A sports hostel is functional where free boarding, lodging and refreshment is provided to the players. Thirty one players of the college achieved positions in different disciplines of sports at university and national level (Details given in Annexure No. XII).
6. **Problems Encountered and Resources Required:** Constant efforts are made by the College authorities to collect necessary funds for the creation of sports infrastructure. Some NRI's do come forward for this cause but largely the college out of its own resources and from S. Jagat Singh Palahi Trust manages all these expenses.

7.4 Contribution to environmental awareness / protection

For environment protection, tree plantation programmes are organised on regular basis. Various seminars are organised to bring awareness among the students regarding environment protection. Association with Pahal-Ek-Paryas was a new chapter in this direction.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

The Institution is in the process of implementing the valuable suggestions of NAAC Peer team given in their report submitted to college principal during their visit in March 2016. With privatisation of higher education, there are big challenges to meet the rising cost of education at low fees structure. As majority of the students of the college are from economically weaker sections of society and they can't afford high fee. At the same time, in order to keep pace with the global trends in higher education, huge funds are required for infrastructure development and technology up gradation. So the Institution needs funds from outside agencies like UGC/ RUSSA/ State Support for development of infrastructure and for strengthening of academic activities including establishing of research centre in the college.

8. Plans of institution for next year

The Institution plans to further strengthen its IT infrastructure by constructing a separate IT block. Besides this, the Institution plans to introduce a post graduate course in Master of English (M.A. English) and a diploma course in computer application (DCA) at undergraduate level.

Feedback from Stakeholders

S.No.	Stakeholders	Feedback
1	Alumni	<p>a) The achievements of the students in academics, sports, cultural and other co-curricular activities are deliberated by the members of alumni association during their interaction with the college authorities on various occasions.</p> <p>b) Their favourable feedback is also evident from the likings and comments posted at Facebook page of the college from time to time.</p> <p>c) The constructive suggestions for further strengthening of infrastructure facilities and students support services are given due weightage by the college authorities. Accordingly, college has constructed a spacious multi-facility stadium to prepare large number of students for different sports events and games.</p> <p>d) The alumni members settled abroad financially help the college in providing bus facility to girl students and free books to needy and deserving students.</p> <p>e) They also help the students with scholarships and sometimes pay their fees as well.</p>
2	Parents	<p>a) Convening of PTM is the most fruitful platform where parents get opportunity to get first-hand information about the performance of their wards from the class teachers.</p> <p>b) Since, most of the demands of the parents are related with fee concession, grant of scholarship and free book facility etc. The college is already a leading institution of the area in providing these facilities to the students.</p> <p>c) Tutorial groups play a very significant role to monitor the students' progression in the college and this vital information is shared regularly by the tutorial heads with the parents.</p>
3	Employers	<p>a) The college gets itself evaluated and audited from its regulatory bodies like Guru Nanak Dev University Amritsar, UGC, NAAC, DPI (Colleges) Punjab and various auditing bodies.</p> <p>b) The reports of regulatory bodies are studied in the managing committee meetings where principal share them with the managing committee.</p> <p>c) This helps in the growth and development of the institution in a transparent way with full compliance with the requirements of the regulatory bodies.</p>

<p>4</p>	<p>Students</p>	<p>a) Students feel highly satisfied from the quality education being provided to them at very low fee structure.</p> <p>b) They are making extensive use of the sports facilities, library facilities, computer labs, science labs, accounting lab and free internet facility etc. to strengthen their academics and co-curricular skills.</p> <p>c) The students' council, which includes the class representatives, discuss their requirements and problems with the college authorities. Their suggestions are highly valued in the students' council meetings.</p> <p>d) The students also share their lives and issues with their tutorial teacher incharges.</p> <p>e) Based on these feedbacks, the college, during the session, installed filtered water coolers at every floor of the college and also strengthened significantly the library resources. In addition, the students have also been provided the subsidised photocopy facility in the library itself.</p>
